Qualification for selection of Designated Assistant Professor

- A non-teaching Consultant or Specialist, possessing postgraduate medical degree, working for at least two years in the concerned specialty in a minimum 330 bedded non-teaching Government Hospital shall be eligible to be designated as Assistant Professor and be absorbed permanently, if that Hospital is being converted into a Government Medical College for imparting undergraduate medical education. The subsequent promotions to higher teaching designations would be as per these regulations. Provided further that this would only be a one time provision and so absorbed teacher should not be transferred from that Institution for five years. The subsequent appointment of any faculty would be as per these regulations.
- Stand-alone Postgraduate medical institution:** Consultants or specialists having the required postgraduate degree and experience of working in the concerned specialty /super-specialty department for a period of not less than 2 years in the institution or hospital, not attached to any medical college, where postgraduate teaching is being imparted as per section 9.3 of the Postgraduate Medical Education Regulations, 2022, shall be eligible to be equated as an Assistant Professor in the department concerned. This has to be confirmed by the affiliating University. The subsequent promotions to higher teaching designations would be as per these regulations.
